

To All Emergency Services Providers;

Morgan Co. EMS Association has been contacted by Clarion Health of Indianapolis to serve as "The" pilot county for an "on the road in-service opportunity".

Normally, we are accustomed to driving to Indianapolis to receive such a great training opportunity, however this time, the training is coming to us right here in Morgan County!!

This is a highly unique opportunity to have not one, but two nationally renowned speakers including Dr. Scott Bjerke, who serves as Clinical Associate Professor of Surgery with Indiana University School of Medicine as well as Medical Director of Trauma Services, with Methodist Hospital.

Dr. Bjerke who is the author of many nationally acclaimed articles relating to EMS will speak on Ballistic Injuries.

Another speaker who will be with us the same night will be Dr. Ed Barkis. As well as Dave Clark EMT-P, EMS Coordinator for Clarion Health.

Date of this unique in-service opportunity will be Tues. evening March 25th beginning at 6:30 PM. Dinner will be served from 6:30-7:00 with lectures to begin at 7. Location for the class is still to be announced pending quantity of RSVPs.

The opportunity is open to everyone, however RSVPs are required. Interested parties may RSVP to this e-mail prior to Friday Feb. 29th at 4 pm. We look forward to seeing everyone there.

(This program is being brought to you as a service of Morgan Co. EMS Association & Clarion Health)
